OUR FOUNDERS

Ms. Mary Joseph
Secretary

Mr. Joseph
President

This institution, Christ the King School (ICSE), humbly bows in gratitude to the two visionaries whose faith and courage gave it life ***Ms. Mary Joseph and Mr. Joseph Peter.***

To them, this school was never just buildings or classrooms. It was a calling. A mission. A promise to every child who would walk through these gates that they would be seen, shaped, and strengthened with love, discipline, and purpose.

With unwavering determination, they planted a seed of hope, nurturing it with sacrifice, prayer, and boundless dedication. What grew from their hands is a legacy that touches every student, every teacher, every achievement, and every dream fulfilled within these walls.

To Ms. Mary Joseph and Mr. Joseph Peter

Your light continues to lead us,

Your dream continues to shape us,

And your spirit lives on in every child who rises from Christ the King School.

Every year on the 2nd of August, Christ the King Institutions joyfully celebrates Founders' Day, a day dedicated to honouring the vision and legacy of our beloved founders, ***Ms. Mary Joseph (Secretary) and Mr. Joseph (President).*** It was their unwavering faith, tireless dedication, and deep commitment to education that gave life to this institution. Their dream was simple yet profound: to nurture young minds with knowledge, values, and purpose. As we gather each year to mark this occasion, we are reminded of the sacrifices they made and the ideals they stood for. Founders' Day is not just a celebration, it is a moment of reflection, gratitude, and renewed commitment to carry forward their noble mission.

EDITOR'S QUILL

THE REVELARE: *A Message to Our Readers*

Dear Readers,

At the very outset I am thrilled and elated to present to you the very first edition of '*The Revelare*', a magazine of Christ the King School - ICSE.

Every name carries a meaning and **THE REVELARE** is no exception. Derived from the Latin word *revelare*, it means "to reveal," "to uncover," or "to bring into the light." It comes from *re-* (back) and *velum* (veil), literally translating to "unveil." This idea forms the foundation of our magazine.

THE REVELARE exists for a clear purpose to bring forward what often remains unseen. It is a platform where student voices are made visible, where creativity is expressed openly, and where ideas are shared with confidence.

As you read through this magazine, you are not just going through pages, you are witnessing what has been revealed. Each article, poem, and piece of art represents effort, thought, and individuality. These are expressions that might have otherwise stayed hidden, now brought into the open for you to see and reflect upon.

This magazine also connects directly with you as a reader.

It invites you to:

- Recognize the talent and perspectives of others.
- Think about your own ideas and how you express them.
- Understand that everyone has something valuable to share.

In this way, **THE REVELARE** is not only about the contributors it is also about you. It encourages you to observe, to think, and perhaps, in time, to reveal something of your own.

We hope that as you turn each page, you find meaning, clarity, and inspiration. Because at its core, **THE REVELARE** is simple, it is where thoughts are uncovered, and voices are heard.

Happy Reading!

Mr. Maria Kevin J
Editor, The Revelare

PRESIDENT

“

To our students: always walk in faith, work with honesty, and give your best in everything you do.

Dear Students, Staff & Parents,

It is with great joy and gratitude that I welcome you to the very first edition of “**The Revelare.**” When we founded Christ the King School, we had one simple dream, to create a place where every child is seen, valued, and inspired to grow. Today, as I see our school flourishing with bright young minds, devoted teachers, and a caring community, I know that dream has come true. To our students: always walk in faith, work with honesty, and give your best in everything you do. The world needs people of strong character, and I believe each one of you has that within you. Thank you to our staff, parents, and families for your continued trust and support. Together, we are building something truly special.

With blessings and regards,

Mr. Joseph Peter

President, Christ the King School - ICSE

VISIONARY REFLECTIONS

SECRETARY

“

To our students: you are the reason this school exists.

Dear Students, Staff & Parents,

What a beautiful year it has been! Watching our school grow not just in numbers, but in spirit, fills my heart with immense pride and gratitude. From our little ones in Nursery to our seniors in Grade X, every child at Christ the King School is a blessing. I am deeply thankful to our dedicated teachers who pour their hearts into shaping young lives every single day, and to our parents who place their trust in us. To our students: you are the reason this school exists. Dream big, stay kind, and never give up. We are here for you every step of the way.

With blessings and regards,

Mrs. Mary Joseph
Secretary, Christ the King School

FROM THE PRINCIPAL'S DESK

Dear Students, Staff & Parents,

It is with great pride and joy that I welcome you to the very first edition of our school magazine, *'The Revelare.'* This magazine is a reflection of the vibrant spirit, creativity, and talent that define Christ the King School.

As a CISCE school committed to academic excellence and holistic development, we encourage every student to explore their potential beyond the classroom. This magazine is a platform for our students to express their thoughts, showcase their achievements, and document the wonderful journey of our school community.

I congratulate the editorial team, teachers, and all contributors who have worked tirelessly to bring this magazine to life. May it inspire generations to come.

With blessings and regards,

This magazine is a reflection of the vibrant spirit, creativity, and talent that define Christ the King School."

CHRIST THE KING SCHOOL

OUR FACULTY

The REVELARE

The faculty of Christ the King School are the heart and soul of our institution. Each teacher brings wealth of knowledge, passion, and dedication to the classroom, going beyond the syllabus to inspire and mentor every student.

From Pre KG - Grade X, our educators are committed to nurturing curious minds, building strong character, and fostering a love for lifelong learning. We are deeply grateful to our teaching staff for their tireless efforts, patience, and unwavering belief in every child's potential.

OUR LIBRARIAN

Ms. Renuka
Librarian

Behind every great reader is a great librarian and at Christ the King School, it is Ms. Renuka.

Ms. Renuka brings warmth, dedication, and genuine love for books to our school library every single day. She has transformed the library into more than just a place for borrowing books, it is a welcoming space where students are encouraged to explore, discover, and develop a lifelong love of reading.

From carefully curating the book collection to guiding students toward the right reads, Ms. Renuka goes above and beyond in nurturing a reading culture in our school. Her patience, knowledge, and passion for literature make her an invaluable part of our community.

We thank Ms. Renuka for her tireless dedication and for inspiring so many young readers at Christ the King School.

OUR SUPPORT STAFF

Behind every great school is a team of dedicated individuals who work quietly and tirelessly to keep everything running smoothly. Our Support Staff: Housekeeping Team and Drivers are the unsung heroes of Christ the King School, and we thank them wholeheartedly for their commitment and selfless service.

Our housekeeping staff ensure that our school remains clean, safe, and welcoming for every student, teacher, and visitor. Day after day, through early mornings and long hours, they maintain the spaces where learning happens and they do it with a smile and a sense of pride. Our drivers, too, play a vital role in our school community ensuring that our students travel safely and arrive on time, every single day, with care and reliability that families can always count on.

We take this opportunity to express our deepest appreciation to every member of our support team. Your dedication does not go unnoticed, you are an essential and cherished part of the Christ the King School family. Thank you for everything you do!

OUR SECURITY STAFF

Mr. Reddy
Security

The safety and security of our students, staff, and school premises are of paramount importance at Christ the King School. At the heart of this commitment stands our dedicated Security Staff.

Mr. Reddy has been a pillar of strength and vigilance at Christ the King School. His unwavering dedication to the safety of our school community is evident in everything he does, from his watchful presence at the school gates every morning to his diligent rounds throughout the day.

Mr. Reddy approaches his responsibilities with a sense of duty and professionalism that puts parents, students, and staff at ease. His calm demeanor, sharp awareness, and genuine care for the well-being of every person on campus make him truly irreplaceable.

We are deeply grateful to Mr. Reddy for his service, his sincerity, and his steadfast commitment to keeping our school a safe haven. Christ the King School is secure because of you, thank you, Mr. Reddy, for being our guardian every single day.

INVESTITURE CEREMONY

School Council

The Investiture Ceremony is one of the most significant and prestigious occasions in the Christ the King School calendar. This year, the ceremony was held with great solemnity and pride as the newly elected School Council members and House Captains were formally invested with their badges and responsibilities.

School Houses

The elected School Council pledged their commitment to serve the school with integrity, dedication, and excellence. The School Houses: St. Michael's, St. Gabriel's, St. Raphael's, and St. Jophiel's were also represented by their newly appointed House Captains, who were invested during the ceremony.

We congratulate all the invested leaders and wish them a purposeful and rewarding year of service. Their leadership and example will inspire every student at Christ the King School.

School Captain's Message

Master. Likith Bhamne
(Grade X)

Dear Students, Teachers, and Parents, It has been a true honour to serve as School Captain this year. Leading this wonderful school community has taught me so much about responsibility, teamwork, and the importance of kindness. I am proud of everything we have achieved together. To my fellow students: believe in yourselves, support one another, and always strive to do your best. Thank you to our Principal, teachers, and parents for your constant guidance and support. Christ the King School, you will always have a special place in my heart. God bless.

Sports Captain's Message

Dear fellow students and sports enthusiasts, what an incredible year it has been for sports at Christ the King School! From team sports to athletics, our teams have shown tremendous courage, dedication, and sportsmanship. We celebrated victories, learned from setbacks, and always played with pride for our school. Sport teaches us lessons that go far beyond the game discipline, resilience, and the power of a great team. Keep playing, keep striving, and never give up!

Master. Frank Benedict

SCOUTS & GUIDES

The Bharat Scouts and Guides unit at Christ the King School continues to be a cornerstone of character building, discipline, and service. This year was an especially proud one for our Scout and Guide community.

Dwitiya Sopan to Tritiya Sopan

A group of our senior Scout and Guide students successfully participated in the Dwitiya Sopan Testing Camp and have now qualified for Tritiya Sopan — the next level of scouting proficiency. This achievement reflects months of dedicated preparation, outdoor training, and personal growth. We are immensely proud of each student who cleared this milestone.

PRATHAM SOPAN Investiture Ceremony

This year, an Investiture Ceremony was held to formally welcome newly enrolled Scouts and Guides into the programme. The ceremony was conducted with the traditional spirit of the Bharat Scouts and Guides, as new members took their pledge of service and responsibility.

Cubs & Bulbuls

Our younger Cubs and Bulbuls students were equally active, participating in camps and inter-school competitions organised by the Bharat Scouts and Guides, K.R. Puram Association. Their enthusiasm and spirit truly embody the Scout motto: “Be Prepared.”

CISCE REGIONAL SPORTS MEET 2025-26

Our students did not stop at the school level. Boys from Christ the King School participated in the CISCE Regional Sports Meet 2025–26 at Bishop Cotton Boys High School, while our girls competed at St. Francis Xavier School. Their participation at the regional level is a testament to the quality of training and commitment to sports that our school fosters.

TORQUE: ANNUAL SPORTS MEET

Torque - Christ the King School's Annual Sports Meet, was an electrifying celebration of athleticism, determination, and school spirit. The event featured a wide range of competitions, including formal events, informal events, field events, track events, and group events, drawing enthusiastic participation from students across all age groups. Boys and girls from Pre KG - X delivered outstanding performances, making the school proud with their energy and sportsmanship. The atmosphere was filled with cheers, team colours, and the thrill of healthy competition.

“UNLEASH THE

CHAMPION WITHIN.”

MELANGE: CULTURAL FEST

Melange, Christ the King School's vibrant Cultural Fest was a grand celebration of talent, creativity, and unity. Students from all classes came together to showcase their skills through performances, competitions, and exhibitions that lit up the school with color and joy.

The fest featured a rich mix of cultural activities including Kiddy's Kitchenette, Artistry, Character Clash, Live Art, Mime, Flameless Cooking, Chromatic Canvas etc, celebrating the diverse heritage and traditions of our school community. *Melange* truly lived up to its name, a beautiful blend of talent, culture, and togetherness.

INKSPIRE: LITERARY FEST

Inkspire, Literary Fest, was a celebration of words, ideas, and creativity. Students from across grades came together to take part in a range of events including Story Time Stars, Picture Perfect Poetry, Book Talk, Creative Writing, Debate Masters, Tug of Words. The fest gave every young writer and speaker a stage to shine. Inkspire reminded us that a love for language is one of the greatest gifts we can give a child.

YULEXIR: ANNUAL CAROL FEST

Yulexir, Christ the King School's most eagerly awaited Annual Carol Fest was a truly magical celebration. This year, the entire institution came together students, teacher and staff to fill the school with the warmth, joy, and melody of Christmas carols.

From soulful choir performances to lively group carols, the morning was a testament to the unity, talent, and Christmas spirit that runs deep in the heart of our school. Every class contributed, making *Yulexir* a celebration that belonged to all.

The atmosphere was nothing short of extraordinary voices blending in harmony, hearts lifted in gratitude, and the entire school community shining as one.

JOY OF GIVING

At Christ the King School, we believe that one of the greatest lessons we can teach our students is the joy that comes from giving. We launched a heartwarming gesture “*the Joy of Giving*” rooted in the simple but powerful act of generosity.

Each student was requested to bring one FMCG product. These contributions were collected at designated collection points across the school and were then distributed to our beloved support staff members as well as to families and individuals in less fortunate circumstances in our community.

The response from students and families was overwhelming and deeply touching. What began as a single product from each student grew into a generous collection that brought smiles and comfort to many. The Joy of Giving reminded us all that it is not the size of the gift, but the warmth of the heart behind it that truly matters.

"No act of kindness, no matter how small, is ever wasted."

AURA 2026

*A celebration of talent, creativity
& togetherness*

Every year, our school comes alive with color, music, and joy, and this year was no different. **AURA 2026** was a celebration like no other.

AURA 2026, our much-awaited Annual Day, was a grand celebration that brought together students, teachers, parents, and the entire school family. The event was a wonderful showcase of the many talents that our students carry within them — from dance and drama to music and art.

The theme of this year's Annual Day, **AURA**, reflected the unique energy and spirit that each student brings to our school. It was a reminder that every individual shines in their own way, and together, we create something truly beautiful.

The evening began with a warm welcome and a lamp-lighting ceremony, setting the tone for a night filled with heart, hard work, and happiness. Students from all grades performed with great enthusiasm and dedication. The performances carefully rehearsed over weeks left the audience thoroughly entertained and deeply moved.

The highlight of the evening was the prize distribution, where students were recognised for their outstanding achievements throughout the year. Smiles, applause, and proud parents filled every corner of the School ground. **AURA 2026** was more than just an event, it was a memory made together. A memory that will stay with every student, teacher, and parent for years to come. We are proud of each and every participant who made this evening truly unforgettable.

INIZIO - VALEDICTORY CEREMONY GRADE X

The Valedictory Ceremony is a milestone moment in the life of every student at Christ the King School. This year, we bid a proud and heartfelt farewell to our Grade X students, young men and women who have grown, learned, and shone throughout their years with us..

The ceremony was a beautiful blend of gratitude, reflection, and celebration. Students were felicitated for their academic dedication and overall contributions to the school. Teachers and the Principal shared words of encouragement, reminding the outgoing batch, that the values they have imbibed here, faith, integrity, and excellence will guide them wherever life takes them.

To the Class of 2025–26: you carry with you the blessings of this institution and the pride of everyone who has been part of your journey. Fly high, dream big, and always remember where you began.

ELINOR - KINDERGARTEN GRADUATION

Elinor – Prep II | Graduation Ceremony

A warm and joyful celebration marking the beginning of a big chapter for our youngest learners. Our Prep II children dressed up for the occasion, received their mementos, and left the stage beaming with pride.

It was a evening full of smiles, tears of joy, and proud parents. A reminder that every beginning deserves to be celebrated — and at Christ the King School, we make sure it is.

CHRIST THE KING FEAST

“We may come from different paths, but we walk together with the same purpose to learn, to grow, and to make this world a little kinder than we found it.”

A Celebration of Faith, Unity and Gratitude

Our school celebrated the joyous occasion of Christ The Feast with great reverence and warmth. A special Eucharistic celebration was held, bringing together the entire school community in a spirit of togetherness, gratitude, and prayer. The occasion was marked by a deep sense of devotion and joy, as staff and students gathered to participate in this meaningful event.

Heartfelt prayers were offered for the entire school community, for our dedicated teachers who guide and inspire, for our supportive parents who partner with us in shaping young lives, and especially for our dear students who are the heart of the institution. The celebration was a reminder that no matter which faith we follow, the values of love, compassion, respect, and unity are shared by all.

A beautiful and inspiring message was shared with the students, one that spoke of kindness, hope, and the importance of caring for one another. Students from all faiths were encouraged to carry these timeless values in their hearts, to be lights of goodness in their families and communities, and to always strive to be their best selves. It was a truly enriching experience that left everyone feeling uplifted and grateful.

NEWLY LAUNCHED

The REVELARE

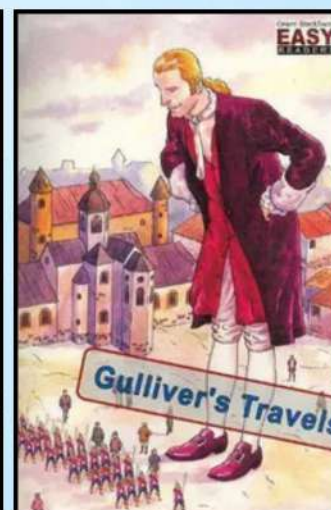

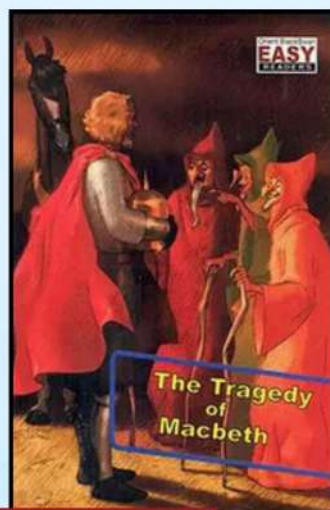

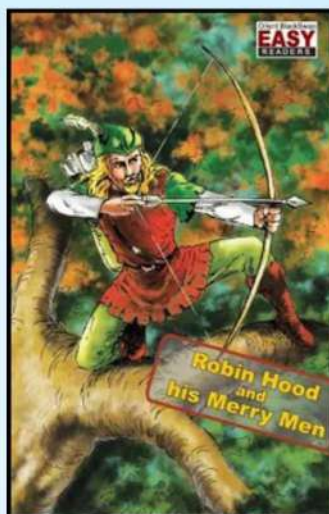

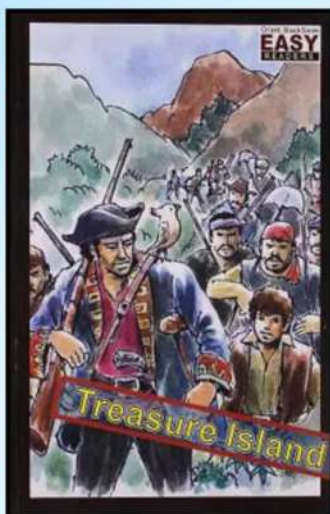

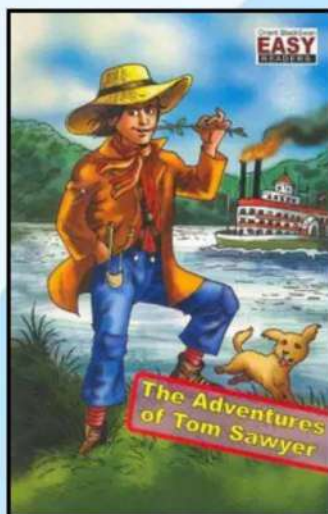

INTRODUCTION OF SUPPLEMENTARY BOOKS

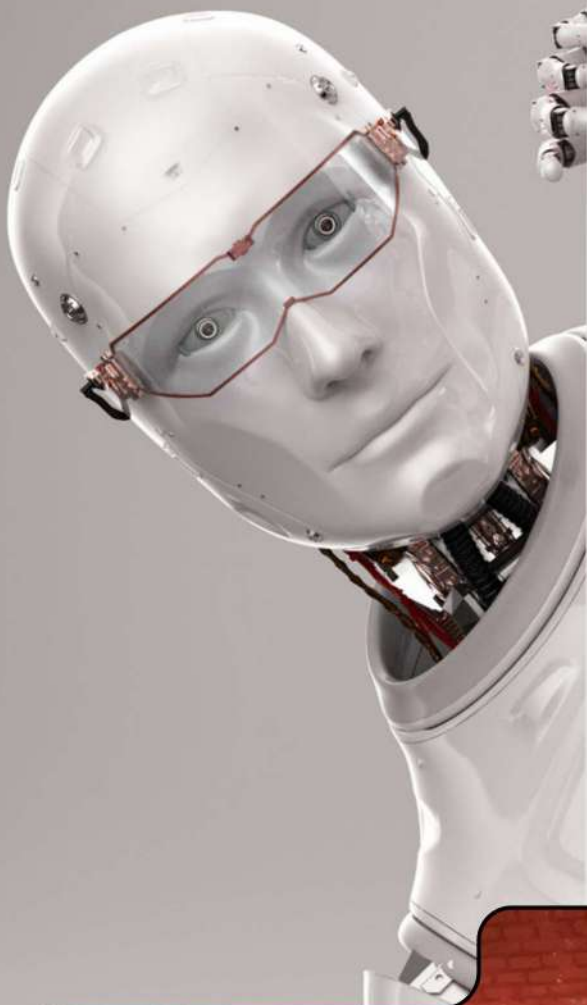

This year, Christ the King School introduced a carefully selected set of supplementary books to enhance reading, comprehension, and overall language development in students across all classes. Reading beyond the textbook opens young minds to new ideas, stories, and knowledge.

Class	Book Title
Grade III	Adventures of Tom Sawyers
Grade IV	Treasure Island
Grade V	Robinhood and his Merry Men
Grade VI	The Tragedy of Macbeth
Grade VII	The Merchant of Venice
Grade VIII	Gulliver's Travels

AI & ROBOTICS CLASS

Christ the King School is proud to introduce the AI and Robotics Programme as part of its commitment to preparing students for the future. Students learn the basics of Artificial Intelligence, coding, and building robots in a fun and hands-on environment.

The **TECH FRONTIERS** team exhibited innovative tech prototypes at the learners' showcase.

"In a world of circuits and code, innovation becomes life."

LEARNERS' SHOWCASE

The Learners' Showcase is one of the most celebrated events on our school calendar, a platform where students from every class step forward to share what they have learned and achieved through the year.

This year, class-by-class, students displayed their knowledge, skills, and creativity in a vibrant exhibition that encompassed both academic learning and co-curricular accomplishments. From science models and language projects to artwork, dance, and music. The showcase was a rich tapestry of everything our learners have experienced and grown through.

Parents, teachers, students and guests were treated to an inspiring display of curiosity, confidence, and capability. The Learners' Showcase truly reminded us that learning goes far beyond textbooks, it lives in every creation, every presentation, and every young voice that dared to share their story.

WALL BOARD MAGAZINE

This academic year, Christ the King School introduced the *Wall Board Magazine* a vibrant and creative platform designed to celebrate the artwork, writing, and creativity of our students right within the school corridors.

Displayed prominently on designated boards across the school, the Wall Board Magazine features student drawings, paintings, poems, short stories, fun facts, and creative writings curated and updated regularly to keep the school buzzing with fresh ideas and young talent.

The Wall Board Magazine has already become a favorite stop for students, teachers, and visitors alike. It serves as a reminder that creativity flourishes when given a stage and at Christ the King School, every student deserves to be seen and celebrated.

We are proud to provide this beautiful platform and look forward to seeing it grow with the ever-expanding talent of our wonderful students.

HIGHLIGHTS OF OUR SCHOOL

FAITH- BASED & VALUE - ADDED PROGRAMMES

Friday Mass & Catechism For Catholic Students

Every Friday, our Catholic students come together to attend the Holy Mass, a sacred time of prayer, reflection, and spiritual renewal. The Friday Mass is not merely a religious observance; it is a cornerstone of our school's faith-filled community, grounding students in values of love, gratitude, and service.

Alongside the Mass, Catechism classes provide Catholic students with a deeper understanding of their faith, helping them grow in their relationship with God and in their responsibility as Christians in the world. These sessions are conducted with care and devotion, offering a space for students to ask questions, reflect on scripture, and strengthen their spiritual life. We are grateful to our chaplain and all who keep this beautiful tradition alive at Christ the King School.

*"With faith in
God, even the
impossible
finds a way."*

BIBLE STUDY - FOR NON-CATHOLIC CHRISTIAN STUDENTS

For our non-Catholic Christian students, the school organises regular Bible Study sessions a meaningful opportunity to explore the teachings of the Bible, understand Christian values, and grow in faith. These sessions are conducted in an inclusive and welcoming environment, where students are encouraged to reflect, share, and learn together.

Bible Study reinforces the school's commitment to spiritual growth for all Christian students, irrespective of their denomination, helping them connect with the timeless wisdom of the scriptures.

VALUE-ADDED CLASSES - FOR NON-CHRISTIAN STUDENTS

Through activities, discussions, and reflective exercises, students are guided to develop a strong moral compass and a deep appreciation for human dignity and togetherness. At Christ the King School, every student regardless of faith is supported in their journey of personal growth.

Recognising the diversity of our school community, Christ the King School organises Value-Added Classes for non-Christian students during faith-based Programme hours. These classes focus on universal values such as compassion, honesty, respect, and service, principles that transcend religious boundaries and are essential to becoming responsible, ethical individuals.

“Wisdom begins when we choose what is right over what is easy.”

EDUCATIONAL TRIPS

Learning Beyond the Classroom

At Christ the King School, we believe that learning extends far beyond the walls of the classroom. This year, students from Pre-KG to grade X set out on thoughtfully planned field trips that brought textbook concepts to life and opened young minds to the world around them.

Pre-KG – Grade IV ***Our Neighbourhood***

Community helpers, social awareness, and civic spaces

Grade V – VIII

MAP – Museum of Art and Photography

Art appreciation, photography, history, and cultural heritage

Grade IX – X

U R Rao Satellite Centre (URSC)

- Satellite Design & System Engineering
- Spacecraft Propulsion & Orbital Mechanics
- Onboard Electronics, Avionics & Embedded Systems
- Payload Development & Remote Sensing Technology
- Satellite Integration, Testing & Quality Assurance

These experiences enriched our students with practical knowledge, broadened their perspectives, and deepened their curiosity about the world. We are grateful to all teachers and parents who supported these wonderful journeys of discovery.

Student Counselling Cell

Our Student Counselling Cell is a safe and supportive space where students can share their thoughts, concerns, and challenges. Child counsellors are available to guide students through academic pressures, personal growth, and emotional well-being. The cell conducts regular one-on-one sessions, group workshops, and awareness activities, nurturing a healthy and positive school environment for every learner.

Anti-Bullying Session (Grades IV-X)

Our school is committed to creating a kind, respectful, and bully-free environment for all students. Dedicated Anti-Bullying Sessions were conducted for students from Grades IV-X, emphasizing the importance of empathy, respect, and responsible behavior. Through interactive activities, role-plays, and open discussions, students learned to recognize, prevent, and respond to bullying in all its forms helping build a stronger, more compassionate school community.

Financial Literacy Programme (Grades IV-X)

Preparing students for real-world challenges, our Financial Literacy Programme introduced learners from Grades IV-X to the fundamentals of money management, savings, budgeting, and responsible spending. Through engaging activities, games, and discussions, students gained valuable life skills that will serve them well beyond the classroom. The programme encouraged young minds to think wisely about finances and develop healthy habits for a secure future.

Abacus Classes

Abacus is not just a skill, it is a mindset. This year, our young mathematicians have proven that with patience and practice, the mind can achieve incredible speed and precision. Watching our students calculate with confidence and joy has been one of the most rewarding experiences. To every student who held the beads and believed in themselves — you have built a foundation that no classroom can shake. Count on, always.

Vocal Classes

Every child has a voice, our Vocal classes have simply helped them find it. This year, our students discovered the power of breath, tone, and expression, transforming shy whispers into confident melodies. Music has a way of unlocking something deep within, and watching our children grow not just as singers but as storytellers has been truly beautiful. To every student who opened their mouth and let their soul speak — your voice is your gift to the world. Sing it proudly.

School Choir

When many voices become one, something truly extraordinary happens. Our School Choir this year has been a testament to what unity, discipline, and passion can create. From rehearsals filled with laughter to performances that moved our audience to tears, every note sung together has been a memory etched in our hearts. To each choir member you did not just sing, you soared. The harmonies you created will echo through these halls long after the curtain falls. Rise in song, always.

Testimonials | STUDENTS' SPECTRUM

“We are grateful for every lesson, every challenge, and every moment that shaped us into who we are today.

This school didn't just give us textbooks it gave us lifelong friendships, unforgettable memories, and the courage to dream big. Every classroom, every corridor, every morning assembly holds a story close to our hearts. We are grateful for every lesson, every challenge, and every moment that shaped us into who we are today. To our beloved teachers, thank you for your patience, guidance, and belief in us. To our friends, thank you for making every single day worth remembering. We leave today not with sadness, but with full hearts and a promise to always make this school proud.

“This school has been our second home and our teachers our second family.

School days once felt ordinary, but now I truly realize they are the most special part of my life. More than exams and marks, I will always remember the laughter in the corridors, the excitement of school events, and the strong friendships we built. As a shy and reserved student, I slowly found my confidence through my studies, with the constant support and encouragement of my teachers who always believed in me.

The ICSE journey helped me grow not only academically but also personally, teaching me discipline, time management, perseverance, and a true love for learning. My school has been like a second home, and my teachers have been like a second family, guiding me at every step.

As I move forward to a new chapter, I feel proud, grateful, and a little emotional. I will always carry these beautiful memories, values, and lessons with me, and I will never forget where it all began.

PARENTS' SPECTRUM

“

**Safety and discipline are top-notch,
giving me peace of mind.**

”

I'm thoroughly impressed with Christ the King School - ICSE! The faculty is dedicated, passionate, and always approachable. The curriculum is engaging, holistic, and encourages critical thinking. My Son's confidence has improved, and he is excited to learn every day. The extracurricular activities are well structured, nurturing talents beyond academics. Safety and discipline are top-notch, giving me peace of mind. What stands out is the open-door policy for parents' concerns are addressed promptly, and we're always kept in the loop. Problems are solved with a smile, making it a stress-free experience. The school fosters a sense of community and values, shaping well-rounded individuals. I'm grateful for the support system and can't recommend it enough! Thank

You

“

**It is reassuring to see that most
concepts are well understood in school,
with minimal support needed at home.**

”

As parents, we chose Christ the King School for its ICSE curriculum, affordability, and the positive feedback we received. Looking back, we are happy with our decision. We have seen our child grow in confidence, build meaningful friendships, and enjoy engaging with both classmates and teachers.

It is reassuring to see that most concepts are well understood in school, with minimal support needed at home. We also appreciate the encouragement given towards participation in sports and cultural activities, along with consistent communication through PTMs and regular updates.

The teaching and support staff, along with the management, have been approachable, supportive, and committed to guiding students through their early learning journey. Overall, it is encouraging to see a strong foundation being built and a genuine interest in learning developing over time at Christ the King School.

“

School also places great importance on discipline, values, and character building qualities that are essential in today's world.

”

As a parent, choosing the right school for my children has been one of the most important decisions I have made. Enrolling both my children at Christ The King School - ICSE has proven to be an excellent choice.

The school demonstrates a strong commitment to academic excellence through its well-structured ICSE curriculum that fosters conceptual understanding and critical thinking. The faculty members are highly qualified, dedicated, and genuinely invested in each student's progress. Their personalized attention and approachable nature create a positive and encouraging learning environment for my children.

What truly distinguishes the school is its emphasis on holistic development. In addition to strong academics, this institution offers a range of extracurricular activities, enabling students to explore and nurture their talents in sports, arts, skills on current needs and leadership. This balanced approach has significantly enhanced my children's confidence, creativity, and overall personality development.

School also places great importance on discipline, values, and character building qualities that are essential in today's world. Furthermore, the management and staff maintain excellent communication with parents, ensuring we remain well-informed and actively involved in our children's educational journey.

I am extremely satisfied with the quality of education and care provided by Christ The King School - ICSE. It is an institution that not only promotes academic success but also prepares students to thrive in all aspects of life.

“

Children are allowed to be children they learn, play, make mistakes, and grow in a happy and positive space.

”

As a parent of two children studying at this school, I feel truly grateful for the nurturing and progressive environment it provides. From the very beginning, the school has created a warm, safe, and reassuring space for children. Like any parent, I had my concerns—whether my children would feel cared for, understood, and comfortable. However, the teachers and staff have consistently ensured that every child feels valued and supported. What stands out the most is the school’s focus on holistic development rather than just academics. Children are encouraged to participate in a variety of activities including sports, events, and literary programs. These opportunities are introduced in a well-planned, phased manner, allowing each child to build confidence at their own pace.

The school maintains a no-pressure environment, free from unhealthy competition. Children are allowed to be children they learn, play, make mistakes, and grow in a happy and positive space.

My children have greatly benefited from the school’s structured learning approach. The English literature classes and skill development sessions have helped my elder son in Grade III learn effective communication, good manners, and the right way to express himself with confidence. My younger son who is currently graduating from Prep II, the teachers handle him with patience, care, and understanding. He feels loved, comforted, and guided. Another commendable aspect is the school’s forward-thinking approach towards education. With exposure to AI and robotics, children are introduced to concepts that are essential in today’s fast-evolving world.

A quality that truly defines the school is the kindness and approachability of its teachers and staff. They are always supportive, understanding, and easy to communicate with, creating a strong sense of trust for parents. Today, both my children look forward to going to school every day, and for me, that is the greatest validation of the positive and nurturing environment the school has created. I sincerely thank the entire team for their dedication, care, and commitment to shaping confident, happy, and well-rounded individuals.

MESSAGE FROM THE ALUMNI

“

This school made us who we are, and it will do the same for you.

”

School never really ends it lives on in every lesson we carry forward, every friendship that stands the test of time, and every value instilled within these walls. As alumni, we carry this institution with us wherever life takes us into boardrooms and classrooms, into hospitals and courtrooms, into studios and laboratories, and into the quiet corners of our daily lives where integrity and kindness are tested most.

Our Alumni Association was founded on one enduring belief: that the bond between this school and its graduates is not merely sentimental it is a living, breathing force for good.

We are a community of thousands, spread across cities and continents, yet united by a common beginning and a shared pride in where we come from.

Through our association, we mentor current students, offering guidance on careers, higher education, and life skills that no textbook can fully teach. We return not to relive the past, but to invest in the future to be the bridge between who you are today and who you are yet to become.

Every year, our alumni gather some travelling great distances to reconnect with teachers who shaped their character, friends who once sat beside them in these very classrooms, and a place that holds memories no photograph can fully capture. These reunions remind us that the truest education was never just academic; it was the formation of conscience, courage, and community.

To every student reading these pages: the legacy you are building right now in the way you treat others, in the effort you give to your work, and in the character you choose to develop is the legacy this school will carry forward long after you have graduated.

As you turn the pages of this magazine, know that you are not just building memories; you are shaping the people you will become. Cherish every moment, embrace every challenge, and always return to your roots with gratitude. This school made us who we are, and it will do the same for you.

Save Environment, Save Future

"Our Environment is one of the most precious gifts to nature." In today's rapidly developing world, the environment is facing serious threats due to human activities, pollution, deforestation, and overuse of natural resources are disturbing the balance of nature. It is the need of hour to realize that nature is slowly fading away. If immediate actions cannot be taken, our future generations will face severe consequences such as climate change, water scarcity, loss of bio-diversity. Each individual has a role to play. simple actions like planting trees, reducing plastic usage, and conserving water can create a positive impact. In conclusion, protecting the environment is a shared responsibility. If we act wisely today, we can ensure a safer and healthier future tomorrow.

One True Friend

As I stop to count my blessings,
There is one thing which rings true,
I'll always be so grateful,
For the friend I found in you!

Grateful for the special times,
We've shared throughout the years,
Times that brought us closer,
Through our laughter and our tears!

Grateful just to have someone,
As kind and as good as you,
To share my finest moments with,
And share my sorrows too!

And when I look upon my life,
What matters in the end
Is that I was really lucky
To find one, true, faithful friend!
